Streetsville, Ontario,

January 13th, 1947.

The Inaugural Meeting of the 1947 Streetsville Council was held on the above date at 8 P.M. in the Council Chambers.

The Clerk announced the Election of the following as Reeve and Councillors for the year 1947.

Reeve C.E.Cantelon

Councillors W.C.Arch
I.J.Ardagh
Dr.G.A.Montemurro
J.M.Tindale

The Members subscribed to the Oath of Allegiance as follows;-

I do solemly promise and declare that I will truly, faithfully and impartially, to the best of my lnowledge and ability, execute the office to which I have been elected in this Municipality, and that I have not received and I will not receive any payment or reward or promise thereof for the exercise of any partiality of malversation or other undue execution of the said office, and that I have not by myself or partner any interest in any contract with or on behalf of the said corporation.

Reeve C.E.Cantelon

Councillors

I.J.Ardagh W.C.Arch

Dr.G.A.Montemurro J.M.Tindale

Reeve Cantelon then took the chair and called upon Rev. M. G. Butler to address the Council. Mr. Butler read a passage of scripture and offered a prayer. The Reeve on behalf of the Council thanked Mr. Butler for his attendance at the Inaugural Meeting of the Council.

The Council then went into session as the first regular meeting of 1947. The minutes of the last meeting were read and adopted.

Correspondence:
- A letter from H. L. Bell, re application for over-hanging sign,
- A letter from R. A. Daly & Co. re Debentures,
- A letter from Ontario Good Roads Association re Convention,
- A letter from Department of Planning & Development re Conference,
- A letter from R. H. Jones re resignation as Assessor.

The question of formation of Committees was thoroughly discussed by all members of the Council. It was felt that these Committees do not have the power to act for the Council but that they should study their various questions, etc. and have concrete suggestions to put before the Council regarding these. It is hoped in this way to save considerable time in the Council meetings themselves.

It was decided that a Committee for Public Works should be formed

this would take care of matters pertaining to street lights; fire protection; roads, walks and drains; obtaining of a Building Inspector and an Assessor.

A Second Committee should be formed which would take care of Legislation and Planning and Youth Welfare.

It was Moved by Dr. Montemurro, Seconded by Mr. Tindale, THAT Mr. Tindale and Mr. Arch be a Public Works Committee; and THAT Mr. Ardagh and Dr. Montemurro be a Committee for Legislation and Planning and Youth Welfare; the first named in each Committee to be Chairman.

CARRIED.

The question of the detailed plans and specifications for the sewage was brought up and the members of the Council expressed themselves as being of the opinion that this had not been kept after as hard as it should have been. They felt that the slowness of this should be forcibly drawn to the attention of the Engineers, as they want to be able to call for tenders and, if possible, have this awarded for work to commence shortly after the end of March.

It was Moved by Mr. Arch, Seconded by Mr. Tindale, THAT the Clerk write Messrs. Proctor, Redfern & Laughlin stating that we must have the detailed plans and specifications for the sewage and disposal plant immediately.

CARRIED.

Mr. Arch's offer to personally phone Redfern re the above was accepted by the Council.

Mr. Cook advised the Council that the application as submitted by Mr. Bell, together with the insurance policy covering himself and the Village, was not actually as called for in the by-law, but legally was just as good.

The Public Works Committee will check as to the size, etc. of the sign and report at the next Council Meeting.

The By-law re licensing of hawkers, peddlers, etc. was discussed by the Council and turned over to the Committee for Legislation and Planning for their report at the next meeting. The Committee will also contact Mr. Cook re the licensing of outside dairies who sell in the Village. The Clerk reported that the copy of the By-law re licensing of Public Halls had not yet been returned by the last year's Committee. He was instructed that upon receipt of this it was to be turned over to the Committee on Legislation.

The question of the removal of the dump from its present site was discussed and was turned over to the Public Works Committee for further consideration.

The Clerk submitted an account from Hamilton Bros. Construction Co. acknowledging receipt of $70;00, but showing a balance of $20.00 owing. Mr. Arch explained tht the original bill of $90.00 consisted of 6 hours work by bull-dozer at $10.00 per hour, and $30.00 moving charge. He stated that upon his recom-

mendation the Council had paid $70.00 for the account and figured as follows:

6 Hours Work at $10.00 per hour	$ 60.00
General Moving Charge	10.00
	$ 70.00

Dr. Montemurro suggested that the Clerk ask Mr. Hamilton to attend the next meeting to discuss this question with the members of Council who are not familiar with this matter.

It was Moved by Mr. Tindale, Seconded by Dr. Montemurro, THAT since the new Council for 1947 is not familiar with the aspects of the account that Mr. George Hamilton be asked to attend our next Council Meeting and discuss this matter of balance of account of $20.00 which has been submitted.

CARRIED.

The Clerk submitted a bill amounting to $13.50 for the purchase of six white safety belts. He explained that last year's Council had discussed the purchasing of these for the Public School and the understanding was that the Village would pay for these.

It was Moved by Mr. Tindale, Seconded by Mr. Ardagh, THAT the bill for the purchase of the six white safety belts be paid. amounting to $13.50

CARRIED.

The matter of payment to hospitals for indigent patients was discussed and Council felt that the town was being imposed upon in the majority of these cases. Dr. Montemurro stated that he would check the possibility of collecting this amount re Stephanie.

The question of snow removal from streets and walks was discussed, also the advisability of disposing of the truck and replacing with tractor equipped for snow removal and trailer. This was referred to the Public Works Committee.

It was Moved by Mr. Tindale, Seconded by Dr. Montemurro, THAT the financial statement amounting to $406.84 be passed as submitted.

CARRIED.

By-Law No. 882, being a By-Law to make certain appointments for the year 1947 was read a first, second and third time and finally adopted.

By-Law No. 883, being a By-Law to authorize the borrowing of money to meet current expenditures for the year, was read a first, second and third time and finally adopted.

There being no further business the meeting was adjourned.

Reeve.

Clerk.

Streetsville, Ontario, Feb 3/47

The Regular meeting of the Village Council was held on the above date in the Council Chambers.

The following members were present;-

Reeve C.E.Cantelon

Councillors I.J.Ardagh
Dr. G.A.Montemorro
W.C.Arch
J.M.Tindale

Solicitor H.E.Cook

The Minutes of the last meeting were read and adopted.

Correspondence;
Navy League re permission for tag-day
H.E.P.C. re permission to erect pole line on Ont. St.
Proctor Laughlin & Redfern re Sewage Plans

Messrs Hamilton Bros attended the meeting with regards to the bill of $20.00. They stated that arrangements had been made with Mr. Arch to "float " the bulldozerfrom Toronto for $30.00 and charge at the rate of $10.00 per hour for the machine.
Mr. Arch said that he had made arrangements for the Bulldozer at the rate of $10.00 per hour but no mention had been made of float charges, also that it would have been possible to have this work done by Armstrong Bros.,who had a machine down at various times, and without the float charges. He also stated that if the float charge of $30.00 had been mentioned he would certainly not have engaged Hamilton Bros. for the work.

The Councillors felt that there had been a seeming misunderstanding on both sides and asked the Hamilton Bros. if they would be willing to comprise on the figure of $10.00, after further discussion the Hamilton Bros. left and the subject was tabled.

Moved by Mr. Tindale Seconded by Mr. Arch THAT the H.E.P.C. be given approval to erect pole line on north westerly side of Ont. St in accordance with their plan No. 93218-4 E.T.

CARRIED

Moved by Mr. Tindale Seconde by Dr. Montemurro THAT the application of Mr. H.Bell for permission to erect overhanging sign in front of his premisses on Queen St. be granted.

CARRIED

Moved by Mr. Tindale Seconded by Mr. Arch THAT Mr. F. Broadbear be appointed a Bldg Inspector. and Mr. Robt. Moore be appointed Assesso for the Village and that the Solicitor be instructed to draw up necessary by-laws for same.

CARRIED

Mr. G. Bell addressed the Council and outlined the steps which had been taken with regards to the factory locating here, and the way in which a fixed assessment would be of value to the factory. He stated that the original and only amount which had been mentioned was $1000.00 for ten years.

The Solicitor advised the Council that First theis application must pass the Council by a three quarters majority, Seconde must have the approval of the Municipal Board and Third be put to a vote of the people and carry by a two thirds majority of the votes cast by the qualified rate payers of the Village.

The Council expressed themselves as willing to pass this figure of $1000.00 for ten years, but they felt that there would certainly be opposition to the figure so far as some of the ratepayers were concerned, and Mr. Bell agreed with this. The figure of $5000.00 was mentioned and it was felt by the Council and Mr Bell that this would be more likely topass the votes.
Mr. Bell then made a verbal application to the Council for a fixed assessment of $5000.00 for ten years to be granted to the Graham Bell Enamelling Ltd., with written application to follow.

The Solicitor was instructed to prepare a by-law re the above application.

The By-law re Hawkers and Peddlers came up for discussion and it was decided that the License fees should be set at their original amounts of $25.00 & $50.00, and the solicitor was instructed to draw up by-law covering this change.

ReeveCantelon stated he would contact Mr. Bowyer with regards to any further proceedings necessary by the Council in the Judgement re Expropriation of Peel Park by the Village.

Moved by Mr. Tindale Seconded by Mr. Archr THAT the financial statement amounting to $472.72 be passed as submitted.
CARRIED

There being no further business the meeting was adjourned.

Councillors I.J.Ardagh
W.C.Arch
J.M.Tindale

Correspondence;-

Graham Graham & Bowyer re Hamilton Bros. Account.
Ont. Prov. Police re police act.
G.Bell Enameling Ltd., re naming of new street, protection of railway crossing on Tannery St. & application for fixed assessment.

The Bldg. Inspector Mr F. Broadbear reported that Mr. J. Stephanie was building a garage without a Bldg. permit and that the const.as done so far was contrary to the bldg. by-law, and that he had been unable to contact Mr. Stepanie, he reported that some of the facia bricks on the Carload Groceteria block, owned by Mr V.C.Johnston were in danger of falling, and that he personally had seen one fall to the street, and that he had left worh with Mrs. Johnston to have this matter remedied at once.

Moved by Mr. Arch Seconded by Mr. Tindale THAT the Clerk be instructe to write Mr.V.C.Johnston that the Bldg. Insp. reports there are some loose bricks on his bldg. on Queen and Main sts. which are in immediate danger of falling, that they must be made in a safe condition at once.

CARRIED

Moved by Mr. Tindale Seconded by Mr. Arch THAT the Clerk write to Mr. J. Stephanie, that, contrary to our Bldg. By-law, he is erecting a building which must be removed immediately.

CARRIED

Moved by Mr Ardagh Seconded by Mr. Tindale THAT the Council forward a cheque to Hamilton Bros., Streetsville for $10.00 and marked payment in full.

CARRIED

The question of the location of the sewage disposal plant was brought up for consideration. On account of the danger of flooding we were advised by the engineers that the island in the river as well as the flats in the park were unsatisfactory. The Reeve stated that he had gone over the only other possible siteswith the surveyor and these were, lst, on the east side of the river between the road to th cemetery and the river, and 2nd, on the west side of the river on the hight of land in Peel Park. He explained that if it were built on the east side of the river the effulent from the plant would have to be run direct into the river asnthe cost would be prohibitive to run a pipe line down the east bank, if located on the west bank it would be a fairly simple matter to run this outlet pipe to below the swimming portion of the river in the park.

Moved by Mr. Ardagh Seconded by Mr. Tindale THAT Proctor ~~Laughlin~~ Redfern & Laughlin be advised that the sewage disposal plant be located on the west bank of the river, approximately where the present Dawson cottages are located.

CARRIED

Mr. Wm. King addressed the Council and stated that when the new water main was laid on Tannery St. his cellar drain had been cut and not replaced, as a resul the water was backing up into his cellar. He was advised that this was the responsibility of the Public Utilities Commission, and that the Council would draw this matter to their attention.

Moved by Mr. Arch Seconded by Mr. Ardagh THAT it has been brought to the attention of the Council, that, the drain of Mr. Wm. King has been broken, presumably by a new water main laid down Tannery St. and Council belives that this should be brought to the attention of the Public Utilities Commission to have this condition remedied.

CARRIED

The matter of granting licenses to pool-rooms or bowling alleys was discussed and the Clerk was instructed to contact the Solicitor with the position of the Council as to the granting or cancelling of these.
The solicitor was also to check and advise the Council whose responsibility it would be to have a wig-wag signal placed at the Tannery St. crossing of the C.P.R.,who would pay for the instal-ation and the upkeep, and also a by-law prepared appointing an assessor for the year 1947 only for the purpose of assessing the town under the new assessment system, and also advise the Council if in granting a fixed assessment whether the fixed amount included the business tax or not.

Moved by Mr. Tindale Seconded by Mr. Arch THAT the financial state-ement amounting to $512.23 be passed as submitted.

CARRIED

BY-LAW No. 885 BEING a By-law to appoint certain public officials was read a first, second and third time and finally adopted.

Mr. V.S.Johnston Chairman of the P.U.C. addfessed the Council and stated that ever since the water works were put in the Village, the Council had paid the waterworks the sum of $300.00 hydrant rental, since that time the number of hydrants had been increased by at least one third, he felt that since the waterworks has had considerable capital expenditures and the cost of operating has risen considerably that the Council should adjust the Hydrant rental upwards and suggest the figure of $500.00 annually.

Mr. Bruce and Mr. Thorndyke were a delegation from the Improvement Association and requested a grant from the Council for the fund which their assoc. is collecting for presentations to be made to the Veterans of Streetsville district.

Mr. Kilpatric of the Childrens Aid Society of the County of Peel addressed the Council and stated that the Society has been acting under the Statuatory law up to this time, that is they handle no cases until ordered by the Court. The Society feels that it is better to prevent criminal tendencies rather than try to correct them, and they are therefore approaching all the municipalities for contributions which will be used in cases where they feel that by helping them now they will prevent children from being forced through necessity into unlawful practises.

Mr. L. Hoey advised the council that he has considerable frontage of his farm on Queen Street and that he would be willing to sell this frontage for use as building lots, and asked what steps would be necessary to have this done. He was advised that it would be nece necessary to have a subdivision plan of the whole of the farm approve be the Municipal planning Board and the Local Council, but that this would not change his tax rating expect on those lots which were sold for Building purposes.

The Council tabled the Bldg. permit of Dominion Sash until Thur. April 10th to await advise from the solicitor.

Moved by Mr. Tindale Seconded by Mr. Arch THAT the Bldg Insp. be instruced to issue Bldg permit to J.Stoutley for erection of garage on his property on Main St.E. and to issue permit to Mr.C.R.Evans to remove house at north side of the Dairy to rear of the lot and convert into two car garage.

CARRIED

Moved by Mr. Arch Seconded by Mr. Tindale THAT the Hydrant rental paid the Public Utilities Commission Waterworks Dept. be increased from $300.00 to $400.00 per year.

CARRIED

Moved by Mr. Ardagh Seconded by Mr. Tindale THAT the Council grant the Improvement Assoc. the sum of $200.00 for the fund established for the returned Veterans.

CARRIED

Moved by Mr. Tindale Seconded by Mr. Arch THAT the Council grant the Cilldren's Aid Society of the County of Peel the sum of $250.00.

CARRIED

The Council then discussed their estimates for 1947, due to the fact that the High School had not yet made their estimates for the year the Council was unable to to set the final mill rate, and the estimates were tabled until a special meeting to be held on April 10th.

BY/LAW No. 886 BEING a by-law for fixin the assessment upon the property of Graham Bell Enameling Ltd. being part of the east half of Lot 4, Con. 5 west of Hurontario Street, Township of Toronto and Village of Streetsville, for a period not exceeding Ten years, was read a second time.

Toro. Twp. Agric. Soc. re grant
Dept. of planning & Devel. re Arch sub-division

Mr. Smith of Proctor Redfern & Laughlin attended the meeting and brought with him the detailed plans and specifications for the proposed sewage system and disposal plant, Mr. Smith explained the set up of the system and answered the varios questions of the Councillors, he stated that the specifications called for the immediated commencement of the project but allowed 12 months for the completion of the project because of the uneasy situation of the labour and supply problems, he also advised that tenders be called for and to be in by the 5th of May 1947.

Moved by Mr. Tindale Seconded by Mr. Arch THAT Proctor Redfern and Laughlin be instructed to call for tenders for proposed sewage system and disposal plant for the Village, and present these tenders to Council on Monday the 5th day of May 1947.

CARRIED

Mr. Cook advised the Council that they could not grant permission to the Dom. Sash Ltd., for construction of proposed Bldg. on the street allowance of Union St.

Moved by Mr. Tindale Seconded ny Mr. Arch THAT the Village grant the sum of $50.00 to the Toro. Twp. Agric. Soc. after holding their 1947 Fair.

CARRIED

Mr. Cook advised the Village THAT the election for the fixed assessment on the Graham Bell Enameling Ltd., must be held not earlier than three weeks and not later than five weeks after the first publication of the notices in the local paper.

Mr. A. Parij attended the meeting and requested a pool room license He was advised that he must take one out as from the time that he took over the pool room from Mr. Cook and that any infractions of the ~~license~~ by-law re the licensing of Pool-rooms would mean immediate cancellation of his license. Mr. Parij then paid the money for the license to the Clerk and received receipt for same.

Moved by Mr. Arch Seconded by Mr. Ardagh THAT Permit be granted to E. Peters to erect overhanging sign as per application, upon posting of approved Bond.

CARRIED

Moved by Dr. Montemurro Seconded by Mr. Tindale THAT the Council approve the application of W.Arch for proposed sub-division as per plans submitted.

CARRIED

C.E.Cantelon

Mr. Arch asked the Council if they were willing to help with the building of the proposed road in the sub-division, he was advised that the budget for roads did not allow for any great expenditures this year, also that since he was on the council if any aid were granted it would leave both himself and the Council as a whole open to censorship by the ratepayers of the Village, but that they would see that an intersection would be made for the proposed new road.

The Clerk was instructed to ask the solicitor to contact the Atorney General with regards to whose is responsible for the policing of the Village.

Moved bt Mr. Ardagh Seconded by Mr. Arch THAT the financial statement amounting to $1700.30 be passed as submitted.

Correspondence F.M.Pidgeon re Bldg. Permit

Moved by Mr, Tindale Seconded by Mr. Arch THAT the Councillors approve the Bldg. Application & Plans as submitted by Mr.F.M.Pidgeon and the Bldg., Insp. be instructed to issue permit for same.

CARRIED

Mr. Redfern advised the Council that his firm had studied the various figures submitted by the Contractors on their tenders re the proposed sewage system in the Village. And he advised the Council that Contract tender of the Toronto Construction Corp. Ltd. should be accepted provissionaly upon the approval of the Municipal Board for the expenditure.

Mr. Redfern also stated that while the tender was above the figure of $80,000.00 as stated in the by-law there would also be extra costs to be paid such as forse mains fitting in the pump houses and engineering fees which would run the cost in the neighbourhood of $100,000.00, he expressed himself as being quite satisfied with this figure as being reasonable under the present conditions, and advised that we approach the Municipal Board for approval on this figure.

Moved by Mr. Ardagh Seconded by Mr Arch THAT the contract for sewers etc¾ be awarded provisionally to the Toronto Construction Corp. Ltd. and that all marked cheques be returned to the other bidders and that the marked cheque of the Toronto Const. Corp. Ltd. be retained.

CARRIED

Moved ny Mr. Arch Seconded by Mr. Ardagh THAT the Council make application to the Municipal Board for approval of a by-law for the sum of $100,000.00 to cover cost of the installation of sewage mains & disposal plant and instruct the solicitor to make all the application to the Municipal Board.

CARRIED

The question of the location of the disposal plant was again brought up for discussion and the Councillors and Mr. Redfern then viewed the alternate sites. Mr. Redfern advised the it would be possible to have the disposal plant on Main St. across the river but that the cost would be in the neighborhood of and extra $10,000.00 to pipe this down the east bank of the river to below the portion of the river where swimming takes place. He suggested th that if the Municipal Board granted their approval that we have Dr. Berry of the Dept. of Health view this alternate site, and if he gave permission to run the effluent direct into the river the plant could be place across the river on Main st. with no additional cost.

The Clerk was instructed to write Dr. Berry re the necessity of sewage in the village, and also to ask Mr. Pidgeon to have a letter along these line forwarded by the Improvement Assoc.

The Reeve advised the Council that the Chairman of the Consultative Committee re the Formation of a High School District would meet with the members of the Council & the High School Board on Thurs. May 22nd.

The Consultative Committee consists of three members appointed by County Council together with a representative of the Dept. of Education. the P.S. Insp. acted as secretary.

The following data was presented to the Council & the H.S.Board by the Consultative Committee, but they stressed the fact that they had been formed to get facts and figures, present these to local Boards & Councils and relay the ansswers to the County Council, and that the location of proposed schools courses to be taught in each etc. would be decided upon by the new H.S.Area Bd.,

The purpose of the formation of H¾ S. Areas is to bring Composite schools to rural areas, and give these pupils the same facilities and opportunity as those received by pupils attending Urban Areas.

The formation of a High School Area requires a school Population of 500 pupils and an area assessment of 8-10 millions.

The present school pop. in the proposed area in southern area of Toro. Twp. is as follows;

Port Credit	500	
Cooksville	70	
Streetsville	75	
Total of	645	and brokem down as follows;
Grade 9	235	
" 10	180	
" 11	115	
" 12	79	
" 13	38	

of the latter group Streetsville has 4 and Pt. Credit 34

The Consultative Committee feels that Toro. Twp plus Pt. Credit plus Streetsville would require two composite schools. However there are three solutions seen by the committee, but any action would have to be taken by the school Board to be formed, and these are as follows;-

1.- Enlarged school at Pt. Credit to serve the whole district.

2.- One school at Pt. Credit, specializing in technical training one school at Cooksville, specializing in agricultural training.

3.- If Pt. Credit & Streetsville both stay out, Toro. Twp. is large enough to call for their own school area, and this decision has been made by them.

These schools would present the whole academic course plus, manula training, domestic science, agriculture, commercial etc.; thus giving a choice. Whereas under the present set up, only the academic course is available. The Village of Streetsville has 3½ teachers to carry 5 grades and this is not fair to either pupils or teachers.
Pt. Credit has 500 pupils of which 400 are from Toro. Twp. and Streetsville has 75 pupils of which 30 are from the Twp. of Toro. This would leave Pt. Credit with 100 and Streetsville with 45 pupils and even with the gov't grants these schools would be unable to operate as at present.

The High School Area Board to be formed would be composed as follows; by appointment;-
one member for each 3000 population from each municipality
" " from the Public School in section with largest average attendance.
" " by the County Council.
Two additional members may be appointed by the County Council upon request of the H.S.Area Bd. formes by the previous appointees.

This H.S.Area Bd. then takes over all the assets and liabilities of the local High Schools which it replaces;- all buildings, grounds equipment etc. all Debentures etc. These Debentures would remain in the name of the local municipality but would be paid by the H.S.Area Bd. If building etc. are not required by the Board they may be sold to the local P.S.Bd. or Municipality, otherwi will be sold and the profits go to the assets of the H.S.Area Bd.

The H S.Area Bd., will receive grants from the Prov. Gov't. for educational and construction as do the present boards. the Educ. grants are 75% of cost plus $10.00 per pupil up to a cost of $200.00 per pupil.

The Committee states that if The School at Pt. Credit were used and another built in the Twp. of Toro. the approximate cost had been figured and they beleive that it would amount to an annual cost of 3 to 4 mills on the local tax rates, also that they feel that ceilings will be lifted on transportation so that the best type of transportation cab be provided and that no pupil will have further to walk to the school bus than they do at present going to P.S.

If Pt. Credit joins in this area, Special courses may be split betwe the two school; full academic at both; interschool buses to carry pupils from one to the other for special periods. As the population grows the Toro. Twp. school will likely build up until it will carry all the special courses in full.

If Pt. Credit does not join, the Toro Twp. school will likely have these courses at once.

The resolution requesting the dissolving of the local H.S.Area must be before the County Council on June 9/47.

The question is, can we give our H.S.pupils the same opportunity for education by remaining separated from the proposed H.S. Area as we can by joining in this new undertaking.

There being no further business the meeting was adjourned.

CARRIED.

Mr. Arch advised Council with regard to a letter from the Department of Planning and Development that his Solicitor is taking these matters up with the Department direct and Council will then beadvised when reply is to be made to this letter.

Mr. H. Buck addressed the Council and advised them that he had purchased the Steen property on Tannery Street with the view to the erection of an Implement Showroom and Repair Shop and asked if this idea would meet with their approval. He was advised by the Council that they would look favourably on such an undertaking, but, Council feels that it will be necessary to widen this street an additional ten feet on the south side and both he and Mr. Caves were advised to keep this in mind when planning the location of their buildings.

The Clerk was instructed to contact the Bell Telephone Company with regard to the possibility of moving their telephone poles now situated on the south side of Tannery Street.

Mr. Arch advised Council that the Clerk had been instructed by the County Engineer that the County will be responsible for the entrance to be built into the Arch subdivision, but that since that time he had been informed by the Engineer that the County would have nothing whatever to do with it. The Reeve advised Council that he believed this was due to the fact that the Government will not pay any share of the County expenditures on this type of work - Highway Improvement Act 1947.

The Clerk was instructed to advise Mr. C. H. Bowyer that the Village is not interested in the offer as made by Mr. Dawson through Mr. Davis, regarding Peel Park, amd he was instructed to request Mr. Bowyer to take the necessary proceedings to have the appeal dismissed.

Moved by Mr. Arch, Seconded by Mr. Ardagh, That the Council of the Village of Streetsville ask the County Council to dissolve the High School of the Municipality of Streetsville in order to make way for the formation of a larger High School District; provided that when the use of the present High School is discontinued the building and grounds will be sold to the Municipality of the Village of Streetsville for the sum of $1.00.
CARRIED.

Moved by Mr. Tindale, Seconded by Mr. Arch, that the financial statement amounting to $508.35 be passed as submitted.
CARRIED.

BY-LAW NO. 892 — BEING a By-law to provide for the 1947 expenditure on roads or streets in the Village of Streetsville in the County of Peel, was read a first, second and third time and finally adopted.

There being no further business the meeting was adjourned.

Reeve.

Clerk.

Streetsville, Ontario, June 5thm 1947.

A Spefial meeting of the Village Council was held on the above date in the Council Chambers;-

The following members were present;-

Reeve	C.E.Cantelon
Councillors	I.J.Ardagh
	Dr.G.A.Montemurro
	W.C.Arch
	J.M.Tindale

The Clerk reported that he had hadean interview with the members of the Municipal Board with regards our application to them for approval in the matter of the coats of our proposed sewage system. The original application was for the sum of $80,000.00 and the cost is now seen to be in the neighbourhood of $100,00.00 which means $20,000.00 over the amout consented to by the ratepayers. There were three ways this extra amount could be passed upon.

1- by having another vote of the ratepayers which would take approximately two months.

2- by the Municipal Board granting a special interview to hear the arguements of those not in favour of this amount, which would take approximately three weeks.

3- by a resolution of the Council passes unanimously, requesting a Mandatory Order from the Dept. of Health for the Instalation of sewers, which should take only a few days.

This latter way was the one advised by the members of the Municipal Board, and they stated that they would check with the Dept. of Health and advise them that this would be in order so far as they were concerned.

Moved by Mr. Tindale Seconded by Dr.Montemurro THAT the Council of the Village of Streetsville hereby requests, the Department of Health to issue a Mandatory Order for the installation of a Sewerage system and sewage disposal plant for the Village of Streetsville.

CARRIED UNANIMOUSLY

CARRIED

Moved by Dr. Montemurro Seconded by Mr. Arch THAT W.C.Arch be instructed to consult Mr. Bowyer as to what is necessary to bring the pending expropriation proceeding of Peel Park to a conclusion.
CARRIED

The matter of the dust on the roads was discussed, and the Council while of the opinion that the dust was a nuisance felt that this laying of this now with oil would be a waste of money, as word had been received that the Contractor was commencing the construction of seweres within the week, and this would mean the ripping up of all the streets.

The Clerk was instructedd to contact the Bell Tel. Co. as to when we might expect them to remove the phone wires from the south to the north side of Tannery St. also to order a grader to commence the widening of this street as soon as possible, also to have the Utility man spread Calcium on Tannery St. to alleviated the dust raised by the numerous transports now using this street.

Mr. Donner informed the Council thatthe property he was going to build upon is that owned by Mr. H. patterson on Thomas St. he was advised that this property is not subdivied and before this can be brought it will have to go through the Planning Board at Queens Park

Dr. Montemurro introduced Mr. Donner to the Council and stated that he is a former members of the R.C.M.P. The Dr. stated that the law and order in the Village is in a deplorable state and suggested that the Council discuss the possibility of hiring Mr. Donner for night police work in the Village.

The Council as a whole felt that the law enforcement in the Village is practicaly non existent and felt that something should be done immediately.

The Clerk advised Council that he had contacted the necessary office of the Prov. Police and they understand that they are responsible, also that they came down to investigate robbery at the supertest gas station, and the loose dynamite found on Thomas St. That nothing has been heard about re the robbery but that the dynamite cas has been more successful and that summons have been issued to the parties responsible.

The reeve advised Council that we do nothing re hiring a Constable for law & order for we then releive the Prov. Police of this responsibility, until they have been given time to prove their effectiveness.

Mr. Copeland of the Toro. Const Corp. Ltd. addressed the Council and stated that since the location of the Disposal plant for the sewage had been change to the island since the contract was let and there was the danger of floods damaging or destroying the work before the plant was completed he wished the Village to releive them of this responsibility while the work is under construction, Also that due to the situation with the expropriati on peel park they also wished to be releived of responsibility of a damage suit which might be brought against them for trespass ing.
The Council advised him that these matters would be brought up an that he would be advised by letter with the findings of the Council.

The Clerk was instructed to write R.E.Hollingshead that if he would arrange to have the surveyors survey his property and establish the correct boundaries of his lot, they would be responsible for the payment of the surveyor, and that if it was found that the pumping house was on his property they would buy this property, the above letter to be written without predjuice.

Moved by Mr. Arch Seconded by Mr. Ardagh THAT the clerk be instructed to write the Commissioner of Prov. Police advising that due to the lack of Law & Order in the Village they woyld like to have an appointment made in order to discuss the above matter,
CARRIED

Moved by Mr. Arch Seconded by Mr. Ardagh THAT the Clerk be instructed to write the Toto. Const. Corp. Ltd., that the Village will be responsible for any suit brought by B. Dawson for damages for trespassing on the Dawson property.
CARRIED

Moved by Mr. Tindale Seconded by Dr. Montemurro THAT Mr. Bowyer be instructed to take all necessary steps to give the Village immediate possession of Peel Park.
CARRIED

Moved by Mr. Arch Seconded by Mr. Ardagh THAT the Clerk be instructed to write the Toro. Const. Corp. Ltd., advising them that the Village will releive them of the responsibility of damages to disposal pland located on the island in the Credit river, from floods until Dec. 31/47.
CARRIED

Moved by Mr. Tindale Seconded by Dr. Montemurro THAT the Clerk be instructed to have necessary insurance obtained to cover possible flood damage to disposal plant while under construction policy to be in force until Dec.31/47.
CARRIED

The Reeve advised Council that it would be necessary to have a bridge constructed from the mainland to the island in the credit river, also that the County has put in a new bridge on the 4th line and that the Village may have the old bridge if they would remove it, also that there were a number of I Beams available from Toronto Gore and that these together with the planks and some of the Beams from this bridge would build the necessary bridge ata very low cost.

Moved by Mr. Arch Seconded by Mr. Ardagh THAT the Reeve be instruc -ed to contact the County Engineer & advise that the Village will take the Bridge, and contact Toronto Gore re the I Beams.
CARRIED

Mr. Arch & Reeve Cantelon offered to look at this bridge of the County and the proposed location in Peel Park before word was sent to the County Engineer.

Moved by Mr. Ardagh Seconded by Mr. Arch THAT the Clerk be instructed to contact Mr. Bowyer and find out the amount of marked cheque necessary to deposit with the court re expropriation of Peel Park, upon receipt of this information Clerk is instructed to issue and deposit this cheque with the court.

CARRIED

Moved by Mr. Arch Seconded by Dr. Montemurro THAT the Clerk be instructed that all cheques due the Toronto Const. Corp. Ltd. be made payable to the Toro. Const Corp. and the Bank of Toronto and forwarded to the said Bank at Bloor & Royal York Road.

CARRIED

Moved by Mr. Tindale Seconded by Dr. Montemurro THAT Mr. Arch be appointed a member of the Streetsville Overseas Memorial Committee

CARRIED

Several Councillors stated that they had heard from various sources that the Village was offering Dawson $10,000.00 and $10.500.00 for Peel Park and questioned the Reeve who has been in contact with Mr. Bowyer. They stated that if this were so it was without their knowledge.
The reeve advised the Councillors that a Council meeting he had been instructed to advise Mr. Bowyer that the Village would consider paying $10,000.00 rather than ge have the trouble of going through a court of appeal, and unofficially two Councillors had informed him that they would consider $10,500.00 these statement had been relayed to Mr. Bowyer but neither were accepted by Dawson and negotiations had then ceased.

The Reeve advised Council that the Sewage pumping house on Princess St. as located by the Engineers was directly in the entrance way to the Couse seed mill, ~~which they had opened up themselves~~ and that Mr. H. Couse had offered to give ~~them~~ THE VILLAGE for $1. sufficient land frontin on the north side of Princess St. for this plant. He stated that he had accepted this offer of Mr. Couse and the pump house had been built on this property.
The Clerk was instructed to place these facts before the solicitor and have him take what steps are necessary to have this transfer made.

Clerk was instructed to write City of Owen Sound re Sunday train service which has commenced.

Clerk informed the Council that the Bell Tel. Co. would move their line on ~~west~~ south side of Tannery St. to the P.U.C. poles on the north, provided the Council would pay 50% of cost.

Clerk was instr ucted to ascertain the probable cost and if this would consist only of labour but not materials they would be willing to split this cost with the Bell Tel. Co.

Mr. C. Rundle was to be instructed to remove brush on south side of Tannery St. at the C.P.R. crossing, also to obtain necessary tile for drain on Tannery St. at same place.

Mr. Arch advised the Council that he felt that riser should be put in at each house outlet in the sewer main while it is being laid and a considerable amount of money on each service would be saved. Mr. Arch's offer to contact Redfern re this matter and make the necessary arangements was accepted by the Council.

The Council asked the Reeve if he had any information on the proposed High School district and the motion passed by the Local High School Board and the Council regarding the same. Reeve Cantelon stated that as he was not on this High School District Committee ~~tha~~ and the County Clerk has been ill for some time he has not been able to obtain any information on this matter.

Moved by Mr. Arch Seconded by Dr. Montemurro THAT the Clerk be instructed to write the County of Peel requesting copies of by/laws re formation of High School district in the area of Streetsville.

CARRIED

Moved by Dr. Montemurro Seconded bt Mr. Tindale THAT the financial statement amounting to $486.88 be passed as submitted.

CARRIED

Mr. V.Gooding & W.Graydon asked permission of the Council for the use of Hydro & grounds for a legion corn roast. They were advised to contact the Commission for Hydro and the Public School Board re grounds.

The Bldg. Insp. reported that he had checked the Bldgs. under construction and that they were constructing according to the palns and specifications.

Moved by Mr. Tindale Seconded by Mr. Arch THAT the Bldg Insp. be instructed to issue Bldg. Permit to the Bamk of N.S. for construction of Vault in accordance with plans submitted.
CARRIED

The Council discueed the possibility of discontinuing the proposed sewer on Kerr St. and instead extending that on Church St. to the corner of Church & Kerr, and in this way an additional two houses could be serviced. The Clerk was instructed to contact Mr. Redfern re the above matter and arrange for a meeting with the Council.

The Roads committee reported that the County had benn dismantled and moved to the flats on Peel Park, anf that 7 I beams are available from Toronto Gore..

Clerk was instructed to write W.J.Tracey to the effect that adequate police protection will be given to the Village tax-payers.

The Village Constable position was discussed and the Council decided that if Mr.Wm.Ribble were willing, ~~that~~ he should be hired. The Clerk was instructed to contact Mr. Ribble and if he were willing have necessary by-law prepared for the next meeting.

Moved by Dr. Montemurro Seconded by Wm. Arch THAT Wm. Ribble be paid a salary of $100.00 for part time position as chief constable of the Village for the balance of the year. Duties to commence as soon as sworn in.
CARRIED

Moved by Mr. Arch Seconded by Dr. Montemurro THAT motion to relieve Toro. Const. Corp. of responsibility of flood damage to sewage disposal plant while under construction be recinded, since the Village has been unable to place Ins. to cover this.
CARRIED

The question of the workmanship of the contractor re the sewage was discussed, the Council did not feel that it was necessary to have a Village Inspector on the job, since this was being checked by the resident engineer, but tha they would question Mr. Redfern re the advisability of this.

The tree on the boulevard in front of the high school was reported to be in a dangerous condition as a result of the fecent storm, and the Commission was to be asked to have its men remove the tree.

Mr. Rundel was to be advised to cut any ragweed which is growing on the town streets.

There being no further business the meeting was adjourned until the regular meeting Sept. 2/47.

BY-LAW 888 Being a by-law to appoint an assessor for the Village of Streetsville was read a first, second and third time and finally adopted.

Solicitor	H.E. Cook.

The Minutes of theprevious meeting were read and adopted.

Correspondence: County By-Law No. 1040,

Mr. W. G. Clements addressed the Council re the possibility of stopping Train No. 37 on the C. P. R. in the evenings and suggested that if the Council were to contact the C. P. R. about this matter it may be possible to have it stop at the commencement of the fall schedule.

It was reported to the Council that the Public Utilities Commission will have their men remove the tree in front of the High School as soon as men are free; that Mr. Redfern advised Council that it was not necessary to have a building inspector on the job since his resident engineer is looking after the Village interests; that Mr. Ribble will accept the position as Chief Constable of the Village of Street sville.

The Works Committee advised Council that they had arranged with Mr. Redfern to have the sewer line on Ker Street discontinued and that the sewer on Church Street be continued past Water to the junction of Church and Ker Streets; and that the manhole on Tannery Street in front of the home of S. Buttle was to be moved to thejunction of Tannery and Bellevue, a six inch sewer will continue up to serve Buttle's and Axon's homes and an eight inch will extend from this manhole up Bellevue to the northerly limit of this street.

~~Dr.Montemurro expressed himself as being dissatisfied with the manner in which the Clerk~~ carried out ~~the duties of his office.~~

Moved by Mr. Arch, Seconded by Mr. Tindale, THAT the Clerk be instructed to write the C. P. R. requesting that the Windsor train No. 37 be requested to make a stop at Streetsville upon the commencement of the fall schedule.

CARRIED.

The Council discussed the County By-Laws nos. 1034 and 1040, dealing with the dissolving of the present High School District in the Village of Streetsville, and the formation of a new High School District area. These By-Laws do not conform to the motion as passed by the local Council in their minutes of their Regular Meeting of May 30th, 1947. The Solicitor advised the Council that the County Clerk be written regarding this discrepancy and a copy of the letter be sent to the Minister of the Department of Education.

Moved by Mr. Arch, Seconded by Mr. Tindale, THAT the Clerk be instructed to write theCounty Clerk that County By-Law No. 1034 does not conform to resolution as passed by Council of the Village of Streetsville, requesting reason for this, and a copy of this letter to be sent to the Minister of the Department of Education.

CARRIED.

Dr. Montemurro advised Council that he had been informed that the work on the removal of telephone poles on the south side of

Tannery Street was being held up until the probably costs of this had been ascertained and forwarded to the local Council.

The Clerk was instructed to contact the Bell Telephone Company to have this work done as soon as possible regardless of the cost.

The Clerk was instructed to write the Minister of the Department of Health re obtaining approval for our sewage system and sewage disposal plant. Mr. Arch questioned Mr. Cook re possibility of having a water main laid to a new sub-division on sub-way sideroad under local improvements. Mr. Cook advised Mr. Arch that this would be possible.

The question of gravelling streets which will not be ripped up by our sewer mains was discussed and it was decided that the northerly portion of William Street should be gravelled and the Clerk was instructed to obtain comparative prices from Armstrong Bros. and Sherman Sand & Gravel Co.

Moved by Dr. Montemurro, Seconded by Mr. Arch, THAT the Clerk be authorized to purchase the necessary posts for erection of no parking signs, posts to be in 12 foot lengths.

CARRIED.

The minutes of the previous meeting were read and approved with the deletion of the fourth paragraph.

Correspondence: Graham Bell Enameling re possible interruption of vehicular traffic on Tannery Street. County Clerk's Office and Department of Education -- acknowledgments of letters re County By-Laws, C.P.R. re Train No. 37, E. L. Taylor re resignation H. S. Bd., High School Board re resignation of E. L. Taylor, Broadway Press re Printing, R. H. Jones re resignation, Dept. of Planning and Development re Questionnaire.

Dr. Montemurro urged the importance of the immediate following up of correspondence between meetings.

The Clerk advised the Council that second-hand pipeing for erection of "No-Parking" signs was unavailable, but 2 x 2 x ¼ T-pipe at 25¢ per foot was available.

Mr. Arch's offer to see if this T-pipe was available at a lower cost was accepted.

Mrs. Meredith addressed the Council on behalf of the Girl Guides of the Village and pointed out the good work which had been done by this Organization for the past six or seven years and stated that up until this time they had carried financial matters on their own. Next time they wish to send all the girls to a summer camp for two weeks at a cost of approximately $500.00 and she requested that the Council give a grant of $100.00 for this purpose. Mrs. Meredith was advised that the Council would discuss the matter and the Clerk would let her know their decision.

The Clerk advised the Council that he had been verbally advised that the approximate cost of the Village portion of the labour charges in moving the Bell Telephone wires from the south to the north side of Tannery Street would be $400.00. The Council felt that a total labour cost of $800.00 for this work seemed to be altogether too high. and the Clerk was instructed to write the Bell Telephone Company requesting that their representative meet with the Council at an early date to discuss this matter.

MOVED by Dr. Montemurro, Seconded by Mr. Ardagh, THAT the Clerk be instructed to write the Bell Telephone Company requesting their representative to meet with the Council re the proposed re-location of their line on Tannery Street at their earliest convenience. CARRIED.

MOVED by Mr. Tindale, Seconded by Mr. Arch, THAT the Council grant the Girl Guides Association the sum of $100.00 for their summer camp fund.

CARRIED.

Constable Ribble addressed Council requesting permission to set up a parking tagging system in the Village and requested the co-operation of the Council in this matter. He also stated that he would like to have Courtesy Warning tags printed so that for the first offence the violator would be warned, and for the second offence a fine would be imposed.

The Solicitor advised the Council that they may have these tags printed immediately and in the meantime he will obtain the necessary information re the official set-up for the collection of these fines.

Mr. Johnston and Mr. Atkinson of the Public Utilities Commission advised Council that Mr. Jones' resignation has been received by the Utilities Commission and they were here to meet with the Council re this matter.

MOVED by Mr. Arch, Seconded by Mr. Tindale, THAT the Council and the Commission advertise for a Clerk-Treasurer and Tax Collector for the Village and a Secretary-Treasurer for the Public Utilities Commission.

CARRIED.

Mr. Atkinson advised Council that he did not feel that the work of the Toronto Construction Corporation on the sewers was being adequately checked. He also requested that something be done about the dust now on Thomas Street which was caused by the laying of the sewage mains.

MOVED by Mr. Arch, Seconded by Mr. Ardagh, THAT the Council is dis-satisfied with the manner in which the engineers are doing their work in the sewage mains, and that we request that all work done must be inspected before being covered by the Toronto Construction Corporation.

CARRIED.

MOVED by Mr. Tindale, Seconded by Dr. Montemurro, THAT the Council does not accept the resignation of Mr. E. L. Taylor from the Streetsville High School Board.

CARRIED.

MOVED by Dr. Montemurro, Seconded by Mr. Ardagh, THAT the Clerk be instructed to answer questionnaire from the Department of Planning and Development with the assistance of the Bank Manager.

CARRIED.

MOVED by Dr. Montemurro, Seconded by Mr. Ardagh, THAT the Council borrow up to the sum of $50,000.00 to cover current expenditure on construction of sewage system and until such time as proceeds are received from sale of debentures, and the Reeve and Treasurer are hereby authorized to sign notes to this amount for the Village.

CARRIED.

Mr. C. Quennell showed the Council proposed plot plan for a home on the corner of Queen and Ontario Streets, but no decision was reached.

Mr. Arch asked the Commissioner re the possibility of laying water main to his new subdivision. There was considerable discussionre the various ways in which this might be financed. The Solicitor advised them that it would be necessary for them to have the Engineer draw the necessary plans and obtain the approximate cost, then have a local improvement by-law passed and agreement made with the Public Utilities Commission to pay part of this cost and then have these sent to the Municipal Board for their approval. He stated that he did not know whether this method would be approved by the Board and thought they should be approached first on the matter. Mr. Arch agreed to interview the Board with regard to the above mentioned.

The Clerk was instructed to contact Mr. Burgess of C. H. Burgess & Co. and make arrangements for him to meet the Council if possible Monday, October 20th, 1947 to discuss with them the issuing of debentures for a sewerage system.

The Clerk was instructed to advertise in the Financial Post that the Village is open for tenders for a debenture issue of $100,000.00 at 3% for 20 years, tenders to be in by November 30th, 1947.

MOVED by Mr. Ardagh, Seconded by Dr. Montemurro, THAT Progress Estimate No. 1 in favour of Toronto Construction Corporation for $6,800.00 and invoices of Toronto Iron Corporation amounting $1,282.60 be passed as submitted.

CARRIED.

It was decided that the Court of Revision shall be held on the regular meeting of the Council on November 3rd, 1947.

MOVED by Mr. Arch, Seconded by Mr. Ardagh, THAT the financial statement amounting to $1,068.65 be passed as submitted.

CARRIED.

Corespondence

H.E.Cook re Dawson Appeal
Girl Guides re receipt of Village Grant
R.J.Moore re Salary as assessor
D.D.James re survey of Ross Hollingshead property
Bell Tel re proposed change of lines on Tannery St.

Messrs Johnston & Atkinson of the P.U.C. addressed the Council and advised that it would take approximately $3500.00 to lay watermain to the Arch Subdivision, also that they requested the Council to raise an additional $1500.00 to enable them to make loops in the water mains at Church & Main and Pearl to Tannery Sts. Council was advised that these loops would make it possible to reroute water to section of the town in cases of emergency rather than have the whole of the town cut off as is now the case.

Clerk was instructed to contact Mr. H.E.Cook re possibility of allowing for this on the proposed debenture by-law, also to contact Mr. Burgess and ask him if possible to meet with the Council Thursday night with regards to this by-law.

x Due to the lateness of the hour the meeting was adjourned to Thursday Nov. 6/47.

x Moved by Mr. Arch Seconded by Dr. Montemurro That Clerk be instructed to advise Bell Tel. Co. that proceeding on Moving of Tel. poles on Tannery St. be postp oned.

Correspondence

Hospital for sick children re grant

Messrs Gooding and Hamilton addressed the Council re possibility of erecting a second rink of the school grounds and use of Council Chambers for meeting on Friday night. They were advised that the Public school Board was in charge of the School grounds , permissio given for a meeting to be held on Fri. night.

There was considerable discussion about the motion disolving the Streetsville High school in order to make way for a larger High Sch School Area District, and the manner in which it was accepted by the County Council , Dr. Montemurro felt that we should give the ratepayers a chance to show their feelings on this matter at the elections to be held on ist Mon in Jan. The Reeve advised Council that since this by-law was passed by the County Council that the Village would be in the Area for 1948 regardless but that if they wished to withdraw it must be done before July 1948, the Solicito was contaced and advised the Council that there was not sufficien time for advertising to enable this to be put to the electors on Jan. 5th 1948.

The reeve stated that he had been requested to ask Council to call a ratepayers meeting on Mon Dec.22nd, Council inquired if any reason were given, they were advised that no reason were given but that it requested that they call a meeting, be present and have the Reeve preside.

Council decided that as there was no reason forthcoming for a meeting to be held that they would take no action since it is possible for the ratepayers to call a meeting themselves.

No action was taken with the account submitted by D.D.James but this was to be brought to the attention of the 1948 Council.

Moved by Mr. Arch Seconded by Mr. Ardagh THAT Mr. J. Tindale be appointed Clerk-treas and tax collector of the Village of Streets ville, at a salary of $600.00 plus $150.00 car allowance plus 250.00 for assistant, per annum, and the solicitor to be instructed to prepare a by-law for this appointment.
